

## Bullet Male Quick Disconnects Tin Plated Cable Lug Connector For Industrial Connection

Our Product Introduction

for more products please visit us on [cableslugs.com](http://cableslugs.com)

### Basic Information

- Place of Origin: China
- Brand Name: TLC
- Certification: UL, CUL, CE
- Model Number: MPD
- Minimum Order Quantity: 1000
- Price: USD
- Packaging Details: bag, carton
- Delivery Time: 5-30 working days
- Payment Terms: T/T
- Supply Ability: 1KK pcs per month

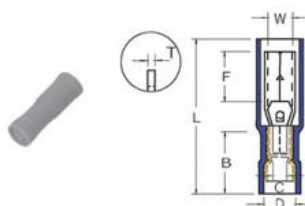

### Product Specification

- Current Rating: Full Range
- Usage: Electrical Connector
- Shape: Round
- Product Name: Cable Lug Connector
- Surface Finish: Tin Plated
- Durability: Excellent
- Color: Red, Green, Yellow, Blue
- Material: Copper
- Highlight: **male bullet connector Quick Disconnects TLC,**  
**male bullet connector Tin Plated TLC,**  
**Cable Lug Connector CUL**

## Product Description:

Cable lug connectors are male connector cable lugs, designed for industrial connections. Made of high-quality materials, they offer excellent durability and come in four colors: red, green, yellow, and blue. With a tin plated surface finish, these male and female terminal lugs provide secure electrical connections and are suitable for a variety of applications. In addition, they are easy to use and can withstand extreme temperatures.

## Technical Parameters:

Cable Lug Connector

Attribute	Specification
Color	Red, Green, Yellow, Blue
Surface Finish	Tin Plated
Shape	Round
Current	Full Range
Rating	
Product Name	Cable Lug Connector
Material	Copper

Application	Industrial Connection
Usage	Electrical Connector
Durability	Excellent
Connector	Female connector cable lug, Male and Female terminal lug, Cable lug connector

### Applications:

TLC Cable Lug Connector is designed to provide reliable electrical connections between industrial devices. It is made of high quality copper material which can meet the requirements of UL, CUL, and CE certification. It has full-range current rating to ensure stable and safe performance. The Female connector cable lug, Male and Female terminal lug, Male and Female terminal lug connector are designed for easy installation and simple usage. The minimum order quantity is 1000 and the price is USD. The package is available in bag or carton. The delivery time is 5-30 working days and the payment terms is T/T. The supply ability is 1KK pcs per month.

TLC Cable Lug Connector is widely used in industrial connection. It is suitable for a variety of electrical connections, such as electric motors, transformers, electric power systems, and more. It is designed to provide secure and safe connections for heavy duty applications. It is also easy to install and remove. The connector has an ergonomic design which makes it convenient to use. This connector is an ideal choice for industrial applications.

### Support and Services:

#### Cable Lug Connector Technical Support and Service

We provide technical support and service for our Cable Lug Connector products. Our technical support team is available 24/7 to help you with any technical issues you may have. We also offer a warranty on all of our Cable Lug Connector products so that you can be assured of quality and reliability. Our team of technicians can help you with installation, maintenance, and troubleshooting of your Cable Lug Connector products. If you have any questions or concerns, please don't hesitate to contact us.

### Packing and Shipping:

#### Packaging and Shipping

Cable Lug Connector products are packaged and shipped in accordance with industry standards. The product is securely wrapped in bubble wrap and placed in a cardboard box. The box is then sealed with packing tape to ensure safe and efficient transit. Additionally, all our packaging is recyclable and environmentally friendly.

### FAQ:

Cable Lug Connector

**Brand Name: TLC**
