

## Round Copper Tube Terminals For Electrical Connections 185-625mm<sup>2</sup>

Our Product Introduction

### Basic Information

- Place of Origin: China
- Brand Name: TLC
- Certification: UL, CUL, CE
- Model Number: TLK
- Minimum Order Quantity: 1000
- Price: USD
- Packaging Details: bag, carton package
- Delivery Time: 5-30 working days
- Payment Terms: T/T
- Supply Ability: 800K pcs per month

### Product Specification

- Package: Carton
- Shape: Round
- Color: Silver
- Application: Electrical Connections
- Material: Copper
- Product Name: Copper Tube Terminals
- Highlight: **TLC Round Copper Tube Terminals, TLC Copper Tube Terminals Electrical Connections, Round Copper Tube Terminal TLC**

TLC TERMINALS INC.  
Terminals

## Product Description:

A strong and stable electrical connection is essential to ensure an efficient transfer of electrical power or signals between devices. This can be accomplished by combining lugs and terminals. With their proper installation, the risk of loose connections can be minimized. Such connections can cause poor performance, overheating or even electrical failures.

## Technical Parameters:

Parameters	Value
Package	Carton
Application	Electrical Connections
Color	Silver
Shape	Round
Material	Copper
Product Name	Copper Tube Terminals

Cable lug copper tube	Yes
Tube Cale lug	Yes

## Applications:

Tube cable lugs play an important role in making electrical connections. They provide a secure and trusted connection point to a terminal, and come in a wide array of shapes and sizes for different wire gauges and terminal types.

These lugs are typically crimped or soldered on to the end of the wire, providing a secure connection no matter what type of application the electrical connection is needed for. And their versatility is invaluable when connecting various types of wires to various terminal types. In short, tube cable lugs can be relied upon to provide secure and effective electrical connections. Their diverse range of sizes and shapes make them ideal for a variety of electrical applications.

## Customization:

**Product Name:** Copper Tube Terminals

**Brand Name:** TLC

**Place of Origin:** China

**Certification:** UL, CUL, CE

**Minimum Order Quantity:** 1000

**Price:** USD

**Packaging Details:** bag, carton package

**Delivery Time:** 5-30 working days

**Payment Terms:** T/T

**Supply Ability:** 800K pcs per month

**Material:** Copper

**Shape:** Round

**Package:** Carton

**Color:** Silver

**Tube Cale lug:** New energy tube cable lug, high power tube cable lug

## Support and Services:

Copper Tube Terminals Technical Support and Service

We offer technical support and service for our copper tube terminals. Our customer service team is available to answer any questions you may have about installation, maintenance, and troubleshooting. Our technical support staff is knowledgeable in copper tube terminals, and can provide assistance with product selection, design, and installation.

We provide a wide range of services, including installation and repair, troubleshooting, and maintenance. We use advanced testing and diagnostic methods to identify issues and recommend the best solutions. Our team is also available to provide emergency repair services when needed.

We strive to provide quality service and excellent customer service. Our technicians are highly experienced and knowledgeable in copper tube terminals and will provide the best possible support and solutions for any issue you may have.

## Packing and Shipping:

Packaging and Shipping

Copper Tube Terminals are packaged and shipped in a cardboard box, which is designed to ensure that the product is delivered in optimal condition. The box also includes a product manual, which provides instructions for installation and use. The box is sealed with a label, which indicates the product's contents and size. The dimensions of the box are as follows: length – 24 inches, width – 18 inches, and depth – 6 inches.

Shipping of Copper Tube Terminals is done via a trusted courier service. The product is shipped with a tracking number, which allows customers to follow the progress of their delivery. Delivery typically takes 3-5 business days.

## FAQ:

**Q:** What is the brand name of the Copper Tube Terminals?

**A:** The brand name of the Copper Tube Terminals is TLC.

**Q:** Where is the Copper Tube Terminals produced?

**A:** The Copper Tube Terminals are produced in China.

**Q:** What certifications does the Copper Tube Terminals have?

**A:** The Copper Tube Terminals are certified UL, CUL, and CE.

**Q:** What is the minimum order quantity for Copper Tube Terminals?

**A:** The minimum order quantity for Copper Tube Terminals is 1000.

**Q:** What is the price of the Copper Tube Terminals?

**A:** The price of the Copper Tube Terminals is USD.
