

Copper Wire Aluminum Terminal With Red Insulation

Our Product Introduction

for more products please visit us on cableslugs.com

Basic Information

- Place of Origin: China
- Brand Name: TLC
- Model Number: DTL
- Minimum Order Quantity: 500-2000
- Price: USD
- Packaging Details: Carton
- Delivery Time: 5-30 working days
- Payment Terms: T/T
- Supply Ability: 200K pcs per month

Product Specification

- Packaging: Carton, Reel, Etc.
- Application: Electrical Equipment, Automotive, Etc.
- Terminal Material: Copper, Aluminum, Etc.
- Insulation Color: Red, Black, White, Yellow, Etc.
- Material: Copper Wire Aluminum Terminal
- Temperature Rating: -40 -105
- Highlight: **Copper Wire Aluminum Terminal for Automotive, TLC Copper Wire Aluminum Terminal, TLC Red Insulation aluminium cable lugs**

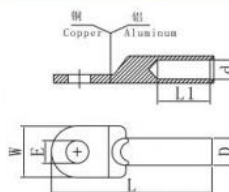

Product Description

Copper And Aluminum Terminals

RING TERMINALS

Material
Terminal Body: Copper
Metallic Sleeve: Aluminum

Product Description:

Copper Wire Aluminum Terminal is a popular choice for a range of electrical equipment, automotive, and other applications. This terminal lug is made of copper and aluminum, which provides excellent electrical and mechanical performance. It features a wide range of insulation colors, including red, black, white, yellow, and more. Furthermore, it is available in multiple packaging options, such as carton, reel, and others. This aluminum and copper terminal lug is highly durable and offers superior corrosion resistance, which makes it ideal for a variety of applications. It is also easy to install and comes with a range of sizes and configurations, making it a great choice for any project.

Features:

Product Name: Copper Wire Aluminum Terminal

Material: Copper Wire Aluminum Terminal

Terminal Material: Copper, Aluminum, Etc.

Temperature Rating: -40 -105

Insulation Color: Red, Black, White, Yellow, Etc.

Application: Electrical Equipment, Automotive, Etc.

Keywords: Copper aluminum terminal , Cable lug copper aluminum, Cable lug copper aluminum terminal, electrical cable lugs

Applications:

Copper Wire Aluminum Terminal

TLC's Copper Wire Aluminum Terminal is the ideal choice for electrical equipment, automotive, etc. It is made of copper and aluminum material which features a temperature rating of -40 -105 . It is available in various insulation colors like red, black, white and yellow. The minimum order quantity of this product is 500 to 2000 pieces and the price is USD. The supply ability of this product is 200K pcs per month. The packaging details of this product is carton and the delivery time is 5-30 working days. The payment terms are T/T. This product has a great ability to combine aluminum and copper lug, making it the perfect choice for aluminum terminal lug, cable lug copper aluminum, and aluminum combined with copper lug.

Support and Services:

We provide technical support and services for Copper Wire Aluminum Terminal. Our technical support team is available to answer all your questions and provide technical assistance. Our team of experts is knowledgeable in all aspects of Copper Wire Aluminum Terminal and can help you troubleshoot any issues you may have. We also provide a wide range of services including installation, maintenance, upgrades, and repairs. We strive to provide the highest quality service and ensure that all of our customers are satisfied with the results.

Packing and Shipping:

Packaging and Shipping of Copper Wire Aluminum Terminal

The Copper Wire Aluminum Terminal is packed in a strong cardboard box. The box is padded with foam for shock protection, and the product is secured with bubble wrap. The box is sealed with adhesive tape to ensure the product is securely packaged. The package is shipped through a reliable courier service.

FAQ:

Q1: What is the name of the brand of Copper Wire Aluminum Terminal?

A1: The brand name of Copper Wire Aluminum Terminal is TLC.

Q2: Where is the Copper Wire Aluminum Terminal from?

A2: The Copper Wire Aluminum Terminal is from China.

Q3: What is the minimum order quantity for Copper Wire Aluminum Terminal?

A3: The minimum order quantity for Copper Wire Aluminum Terminal is between 500-2000.

Q4: What is the price of Copper Wire Aluminum Terminal?

A4: The price of Copper Wire Aluminum Terminal is USD.

Q5: What is the delivery time and payment terms for Copper Wire Aluminum Terminal?

A5: The delivery time for Copper Wire Aluminum Terminal is 5-30 working days and the payment terms is T/T. The packaging details is Carton and the supply ability is 200K pcs per month.
