

## 10-95mm<sup>2</sup> 45 Degree Cable Lug Wire Gauge 5-95mm<sup>2</sup> Copper Tube Terminal Lugs

Our Product Introduction

### Basic Information

- Place of Origin: China
- Brand Name: TLC
- Certification: UL, CUL, CE
- Model Number: SC, TLK, T, TYF
- Minimum Order Quantity: 1000 pcs
- Price: USD
- Packaging Details: Carton Package
- Delivery Time: 5-30 days
- Payment Terms: T/T
- Supply Ability: 1KK pcs per month

### Product Specification

- Material: Copper
- Size: 45 Degree
- Color: Silver
- Product Name: 45 Degree Cable Lug
- Shape: Cable Lug
- Wire Gauge: 10-95mm<sup>2</sup>
- Highlight: **95mm<sup>2</sup> 45 Degree Cable Lug TLC, Copper 45 Degree Cable Lug TLC, TLC Copper Tube Terminal Lugs**

## Product Description:

Lugs terminals are important components in electrical systems. They provide secure and reliable connections between wires or cables and electrical devices or equipment. Their installation must be proper and neat. This ensures that the electrical performance is optimal and safety is guaranteed at the same time. It is important for every electric user to pay attention to lugs terminals when wiring or configuring electrical devices.

## Features:

Lugs terminals are essential components in electrical systems. They provide a crucial role in connecting wires or cables to various electrical devices or equipment.

Lugs are small metal connectors, which are used to make a secure connection. These connectors are crimped or soldered onto the ends of wires depending on the size and shape of them.

Lugs are available in a variety of size and shapes in order to accommodate variety of wire gauges and terminal types.

## Applications:

It is essential to use good quality lugs and terminals for effective electrical connection. The combination of lugs and terminals provides stability and strength to the connection, helping to ensure power and signal is effectively transferred.

Besides, these devices offer protection against loose connections, which can result in poor performance or even electrical accidents. As such, it is of great importance that lugs and terminals are properly installed to prevent such problems.

## Support and Services:

### 45 Degree Cable Lug Technical Support and Service

We provide technical support and service for 45 Degree Cable Lug. Our experts are available to answer any questions you may have regarding installation, product specifications, and product performance.

We also provide troubleshooting assistance and can help diagnose any problems you may be having with your 45 Degree Cable Lug. Our team of experienced professionals is available to provide assistance in a timely manner.

We offer a full range of services, including installation, configuration, repair, and maintenance. Our technicians are knowledgeable and experienced and can help you with any issue you may have.

We are committed to providing excellent customer service and will work with you to ensure that your 45 Degree Cable Lug performs as expected.

## Packing and Shipping:

### 45 Degree Cable Lug Packaging and Shipping:

The 45 Degree Cable Lug is packaged in a standard cardboard box. The box is sealed with a tape to provide protection against dust and moisture. Inside the box, the product is wrapped in a protective bubble wrap and secured with a plastic tie. The box is also labeled with the product name and other relevant information.

The product is shipped via a reliable courier service and is tracked throughout its journey. All necessary documents such as invoices and packing lists are included in the shipment.

## FAQ:

Q1: What is the brand name of the 45 Degree Cable Lug?

A1: The brand name of the 45 Degree Cable Lug is TLC.

Q2: What is the model number of the 45 Degree Cable Lug?

A2: The model number of the 45 Degree Cable Lug are SC, TLK, T and TYF.

Q3: Where is the 45 Degree Cable Lug made?

A3: The 45 Degree Cable Lug is made in China.

Q4: What certifications does the 45 Degree Cable Lug have?

A4: The 45 Degree Cable Lug is certified by UL, CUL and CE.

Q5: What is the minimum order quantity for the 45 Degree Cable Lug?

A5: The minimum order quantity is 1000 pcs for the 45 Degree Cable Lug.
