

Silver Tube Copper Mechanical Lug Crimped Mechanical Wire Lugs

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: TLC
- Certification: UL, CUL, CE
- Model Number: TLK
- Minimum Order Quantity: 1000
- Price: USD
- Packaging Details: PE bag, Carton
- Delivery Time: 5-30 working days
- Payment Terms: T/T
- Supply Ability: 300-800K pcs per month

Product Specification

- Current Rating: High
- Type: Crimped
- MOQ: 1000 Pieces
- Surface Treatment: Tin Plated
- Packaging: Bag, Box, Carton
- Application: Electrical Connections
- Material: Copper
- Product Name: Mechanical Cable Lugs
- Highlight: **Silver Tube Copper Mechanical Lug, Copper Mechanical Lug Crimped, Crimped Mechanical Wire Lugs**

Product Description:

Lugs terminals are essential components in electrical systems. They are a crucial part in connecting wires or cables to various electrical devices or equipment.

These small metal connectors are crimped or soldered on the ends of the wires. Their design is to ensure a secure and reliable connection to terminals.

Lugs come in various sizes and shapes to be suitable for different wire gauges and terminal types.

Features:

The combination of **lugs and terminals** provides dependable performance when transmitting **electrical power or signals** between devices. Correct installation of lugs and terminals is vital in order to maintain a *strong and stable connection*. Failure to do so may result in issues such as low performance, overheating or even cause electrical failures.

Technical Parameters:

Product Name	Parameters
--------------	------------

Mechanical Cable Lugs	Color: Silver Packaging: Bag, Box, Carton MOQ: 1000 Pieces Type: Crimped Surface Treatment: Tin Plated Application: Electrical Connections Material: Copper Current Rating: High Terminal Lug, Tube Lug, Cable Lug
-----------------------	--

Applications:

Lugs terminals are vital components in electrical systems, which offer a secure and dependable connections between wires or cables as well as electrical machines or equipment. It is paramount that they are properly installed for the sake of obtaining optimal electrical performance as well as safety.

Support and Services:

Mechanical Cable Lugs provide technical support and service to ensure that our customers receive the best possible product. Our technical support team is available to answer any questions you may have about the product, including installation, troubleshooting, and maintenance. Our knowledgeable staff can provide detailed instructions and guidelines for proper installation and usage. We also offer a range of replacement parts, so you can get the most out of your product.

We are committed to providing outstanding customer service and are always available to help you with any questions or concerns. If you need assistance, please contact our customer service team. Our team is dedicated to helping you find the right product for your needs and providing the best service possible.

Packing and Shipping:

Packaging and Shipping for Mechanical Cable Lugs

Mechanical Cable Lugs are commonly shipped in boxes or on pallets. Depending on the size of the order, the box or pallet may be labeled with the customer's name, order number, and/or other information.

In order to keep the product safe and secure during shipping, the boxes or pallets will be wrapped in shrink wrap and/or other packaging materials. For pallet orders, the boxes will be stacked and secured on the pallet to prevent any movement during transit.

Finally, the product will be shipped via a trusted carrier such as UPS, FedEx, or DHL. The carrier will provide the customer with tracking information for the shipment.

FAQ:

Q: What is the brand name of the Mechanical Cable Lugs?

A: The brand name of the Mechanical Cable Lugs is TLC.

Q: What is the model number of the Mechanical Cable Lugs?

A: The model number of the Mechanical Cable Lugs is TLK.

Q: Where is the Mechanical Cable Lugs manufactured?

A: The Mechanical Cable Lugs is manufactured in China.

Q: What are the certifications for the Mechanical Cable Lugs?

A: The certifications for the Mechanical Cable Lugs are UL, CUL, CE.

Q: What is the minimum order quantity for the Mechanical Cable Lugs?

A: The minimum order quantity for the Mechanical Cable Lugs is 1000.

Q: What is the price for the Mechanical Cable Lugs?

A: The price for the Mechanical Cable Lugs is USD.
