

5-120mm² Tube Cable Lug 45 Degree - Durable Connectors Copper Tubular Terminals

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: TLC
- Certification: UL, CUL, CE
- Model Number: SC, TLK, T, TYF
- Minimum Order Quantity: 1000 pcs
- Price: USD
- Packaging Details: Carton Package
- Delivery Time: 5-30 days
- Payment Terms: T/T
- Supply Ability: 1KK pcs per month

Product Specification

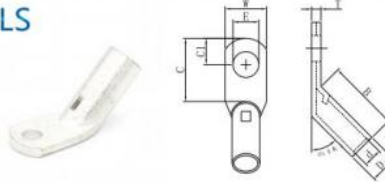

- Size: 45 Degree
- Color: Silver
- Product Name: 45 Degree Cable Lug
- Material: Copper
- Wire Gauge: 5-95mm²
- Shape: Cable Lug
- Highlight: 120mm² Tube Cable Lug 45D,
45D Tube Cable Lugs 120mm²,
tlc Copper Tubular Terminals 120mm²

Non-Insulated - Copper Lugs

Product Description:

Lugs terminals are an integral part of electrical systems, providing firm and dependable connections between wires or cables and electrical installations.

It is essential that they should be correctly installed to make sure that they perform securely and safely, in addition to their optimum electrical properties.

Features:

Lugs terminals are essential components in electrical systems, and they play an integral role in connecting wires or cables to various electrical devices or equipment.

Lugs are small metal connectors that are crimped or soldered onto the ends of wires, offering secure and reliable connections to terminals. Furthermore, there are various sizes and shapes of lugs to fit different wire gauges and terminal types.

Applications:

The combination of lugs and terminals can guarantee a reliable and stable electrical connection.

This is indispensable for a successful transmission of power or signals between the devices.

Using lugs and terminals correctly installed can prevent disconnected connections, which may result in poor performance, extreme heat or even electric breakdown.

Support and Services:

45 Degree Cable Lug provides technical support and services to customers who purchase our products. We offer a comprehensive technical support service to help customers troubleshoot any issues they may experience with their 45 Degree Cable Lug. Our technical support team is always available to answer questions and provide assistance. We also offer installation services to help customers set up

and use their 45 Degree Cable Lug with ease. We also provide a warranty for our products, ensuring customers have peace of mind when purchasing our products.

Packing and Shipping:

Packaging and Shipping of 45 Degree Cable Lug

45 Degree Cable Lug shall be packaged in corrugated boxes with dividers as needed. The boxes shall be sufficiently strong to protect the parts during shipment. All boxes shall be clearly labeled with the part numbers and quantities.

45 Degree Cable Lug will be shipped to the customer using a reliable carrier. The carrier will provide tracking information to ensure the product is delivered safely and on time.

FAQ:

Q1: What is 45 Degree Cable Lug?

A1: 45 Degree Cable Lug is a cable terminal used for connecting two wires. It is provided by TLC with model numbers SC, TLK, T, TYF, and it is UL, CUL, CE certified.

Q2: Where is 45 Degree Cable Lug from?

A2: 45 Degree Cable Lug is made in China.

Q3: What's the minimum order quantity for 45 Degree Cable Lug?

A3: The minimum order quantity for 45 Degree Cable Lug is 1000 pcs.

Q4: How much does 45 Degree Cable Lug cost?

A4: 45 Degree Cable Lug is priced in US dollars.

Q5: How long does it take to deliver 45 Degree Cable Lug?

A5: The delivery time for 45 Degree Cable Lug is 5-30 days, and T/T payment is accepted. With 1KK pcs per month supply ability, TLC can meet your demand.
