

45D Tin Plated Tubular Cable Lugs -40C~+105C 10-95mm² Terminal Lug 45 Degree Wire Inlet

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: TLC
- Certification: UL, CUL, CE
- Model Number: SC
- Minimum Order Quantity: 1000 pcs
- Price: USD
- Packaging Details: Carton
- Delivery Time: 5-30 days
- Payment Terms: T/T
- Supply Ability: 500 - 1000 K PCS

Product Specification

- Direction: 180D, 45D, 90D, 135D
- Color: Silver
- Cable Range: 0.5-300mm²
- Material: Copper
- Temperature Range: -40 ~+105
- Tin Plated: Yes
- Highlight: **TLC Tin Plated Tubular Cable Lugs,
Copper Tin Plated Tubular Cable Lug TLC,
terminal lug connector 10mm²**

Product Description

Non- Insulated - Copper Lugs

SC LUGS TERMINALS

Material
Terminal Body: Copper
Plating: Tin

Product Description:

Lugs terminals are indispensable components in electrical systems. They supply secure and reliable connections between wires or cables and electrical devices or equipment, making sure that the electricity circuit performs to its utmost potential. Above all, their proper installation is essential to ensure the safety of electric equipment.

If a lug terminal is not properly installed, it may further cause many problems, for example, short circuit, ineffective insulation, plus the potential risks posed to human body and property.

Therefore, it is necessary to take full consideration of the various factors that come into play when installing lug terminals, like material specification, electrical requirements, current-carrying capacity of the conductors, etc.

Features:

The use of lugs and terminals can provide a secure and dependable electrical connection, which is vitally important for successful and efficient transfer of electrical power or signals between devices.

Competently fitted lugs and terminals can help to minimize the risk of loose connections, which could possibly cause issues such as inadequate performance, overheating or even electrical break-downs.

Applications:

Lugs terminals are an integral part of electrical systems, and serve a vital purpose in connecting wires or cables to different electrical devices or equipments.

These are considered small metal connectors that can be easily crimped or soldered onto the ends of wires. With a secure and reliable connection to terminals, they come in various sizes and offers different shapes to suit different wire gauges and terminal types.

Support and Services:

Tubular Cable Lugs Technical Support and Service

We provide technical support and service for our Tubular Cable Lugs. Our knowledgeable staff is available to assist you in selecting the most suitable product for your application. We offer a vast selection of products in various sizes, finishes, and materials.

Our experienced technicians are available to provide technical support and answer any questions you may have about our Tubular Cable Lugs. We have access to a wide range of resources to help you make the best choice for your project. We also provide on-site installation and maintenance services, as well as product training.

If you need assistance with any of our products, please contact us. We are always happy to help.

Packing and Shipping:

Packaging and Shipping

Tubular Cable Lugs are packaged in robust and durable boxes for safe transit. Our packaging is designed to protect the product from any damage during shipping. We use reliable courier services to ship our products to all parts of the world. Our shipping team ensures that the product reaches the customer on time and in perfect condition.

FAQ:

Q1: What is the Brand Name of Tubular Cable Lugs?

A1: The Brand Name of Tubular Cable Lugs is TLC.

Q2: What is the Model Number of Tubular Cable Lugs?

A2: The Model Number of Tubular Cable Lugs is SC.

Q3: Where is Tubular Cable Lugs manufactured?

A3: Tubular Cable Lugs is manufactured in China.

Q4: What certifications are Tubular Cable Lugs approved?

A4: Tubular Cable Lugs is approved with UL, CUL, CE certifications.

Q5: What is the minimum order quantity of Tubular Cable Lugs?

A5: The minimum order quantity of Tubular Cable Lugs is 1000 pcs, and the price is USD. The packaging details is carton and the delivery time is 5-30 days. The payment terms is T/T and the supply ability is 500 - 1000 K PCS.
