

50-120mm² TLC -40-105C Lug Cable Connectors 90D Tube Terminal Lugs Copper Tubular Lugs

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: TLC
- Certification: UL, CUL, CE
- Model Number: 90D
- Minimum Order Quantity: 1000
- Price: USD
- Packaging Details: bag, Carton package
- Delivery Time: 5-30 working days
- Payment Terms: T/T
- Supply Ability: 500K pcs per month

Product Specification

- Color: Silver
- Package Quantity: 1000-10pcs
- Finish: Tin Plated
- Temperature Rating: -40-105°C
- Product Name: 90 Degree Cable Lug
- Shape: Lug
- Material: Copper
- Highlight: 120mm² cable lug connectors 90D,
105C cable lug connectors 90D,
Tube Terminal Lugs 90D

Product Description:

Lugs terminals are important parts in electrical systems, and perform a crucial role in linking cables or wires to numerous electrical devices or kit.

Lugs are diminutive metal connectors that are squashed or soldered onto the endings of wires. They are crafted to supply a trustworthy and dependable connection to terminals. There is an assortment of sizes and forms of lugs obtainable to comply with different wire gauges and terminal types.

Features:

Lugs terminals are **significant** components in electrical systems. They maintain **secure** and **dependable** relationships between wires or cables and electrical devices or equipment. The correct installation of them is imperative for the best electrical performance and safety.

Applications:

An electrical connection can be made reliable and durable with lugs and terminals. This contributes to the successful flow of electricity and signals from one device to another. The right combination of lugs and terminals help in avoiding weak and poor connections, which can be the cause of reduced performance or breakdowns due to heat.

Installing lugs and terminals properly is a measure taken to ensure safety. It safeguards our devices from any potential electrical

malfunction or failure caused by loose connections.

Support and Services:

We offer technical support and service for our 90 Degree Cable Lug product. Our team is available to answer any questions you may have about the product, its features and specifications, installation, and maintenance. Our engineers can provide assistance with troubleshooting, diagnostics, and repair of the product. Additionally, we can provide advice and guidance to help ensure that you get the most out of the product.

We also offer a warranty for our 90 Degree Cable Lug product. The warranty covers any defects in materials or workmanship for a period of one year from the date of purchase. If any defects are found, we will repair or replace the product at no cost to the customer.

Packing and Shipping:

Packaging and Shipping for 90 Degree Cable Lug:

The 90 Degree Cable Lug will be packaged in a cardboard box with bubble wrap for extra protection. The box will be labeled with the product name and the product's specifications. The box will be sealed with a tamper-proof seal to ensure that the product has not been tampered with or damaged during shipping.

The 90 Degree Cable Lug will be shipped via a reputable shipping carrier, such as FedEx, UPS, or DHL. The shipping carrier will provide tracking information so that the customer can track the package. The package will be insured to protect against loss or damage during transit.

FAQ:

Q1: What's the Brand Name of this product?

A1: The Brand Name of this product is TLC.

Q2: What's the Model Number of this product?

A2: The Model Number of this product is 90D.

Q3: Where is this product made?

A3: This product is made in China.

Q4: What kinds of Certifications does this product have?

A4: This product have UL, CUL, CE Certifications.

Q5: What's the Minimum Order Quantity for this product?

A5: The Minimum Order Quantity for this product is 1000 pcs.
