

## Full Range Red Round Cable Lug Connector Male Connector Nylon Insulated

Our Product Introduction

for more products please visit us on [cableslugs.com](http://cableslugs.com)

### Basic Information

- Place of Origin: China
- Brand Name: TLC
- Certification: UL, CUL, CE
- Minimum Order Quantity: 1000
- Price: USD
- Packaging Details: bag, carton
- Delivery Time: 5-30 working days
- Payment Terms: T/T
- Supply Ability: 1KK pcs per month

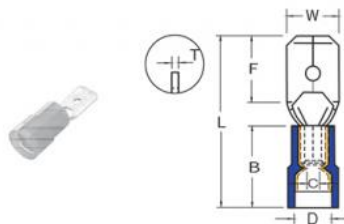

### Product Specification

- Color: Red, Green, Yellow, Blue
- Product Name: Cable Lug Connector
- Surface Finish: Tin Plated
- Current Rating: Full Range
- Material: Copper
- Shape: Round
- Application: Industrial Connection
- Durability: Excellent
- Highlight: **Full Range Cable Lug Connector TLC, Nylon bullet male connector TLC, UL Red bullet male connector**

## Product Description

## MALE QUICK DISCONNECTS

**Material**  
 Insulation: Nylon  
 Terminal Body: Brass  
 Metallic Sleeve: Copper  
 Plating: Tin

## Product Description:

Cable Lug male quick connector

Cable Lug Connector is a pluggable connector with male and female connector cable lug, which is made of copper and tin plated for surface finish. It comes in a round shape and is available in full range of current rating.

Cable Lug Connector features superior conductivity and corrosion resistance, making it ideal for applications such as automotive, power, electrical and electronic industries. It is designed for easy installation and reliable connection.

Cable Lug Connector is widely used for connecting cables to circuit boards, power supplies, motors, and other electronic devices. It is renowned for its excellent performance and reliability.

## Technical Parameters:

Product Name	Cable Lug Connector
Material	Copper
Usage	Electrical Connector
Application	Industrial Connection
Surface Finish	Tin Plated
Color	Red, Green, Yellow, Blue
Shape	Round
Durability	Excellent
Current Rating	Full Range
Features	Male and Female terminal lug, Terminal connector, Male and Female terminal lug connector, Terminal connector with wire

## Applications:

TLC Cable Lug Connector is the perfect choice for industrial connection needs. It is made of high quality copper material, with a round shape in red, green, yellow and blue colors. It is UL, CUL, CE certified, with a minimum order of 1000 pieces. This male connector cable lug connector is suitable for various applications in the industry.

The male connector cable lug connector provides reliable and secure connection for industrial electrical applications. It is highly resistant to corrosion, wear and high temperature, making it a preferred choice for industrial connection. The terminal connector has good electrical conductivity, low contact resistance and excellent tensile strength. Its copper material is of

superior quality and provides superior electrical conductivity. The male connector is easy to install and remove, and can be used for a wide range of applications.

TLC Cable Lug Connector is the ideal choice for industrial connection needs. It is available in a range of sizes and colors, making it suitable for various uses. Its superior quality and reliable performance make it the preferred choice for many industries. The product is available in a competitive price and is easy to install and maintain. It is the perfect choice for industrial connection needs.

### Support and Services:

#### Cable Lug Connector Technical Support and Service

At our company, we provide comprehensive technical support and service for our Cable Lug Connector products. We offer a wide range of services to ensure that your product is functioning properly and up to your standards.

We provide detailed installation instructions and troubleshooting guides to ensure that you are able to install and use your product properly.

We offer on-site technical support and can also provide remote technical support as needed.

We provide regular maintenance and repair services for our products.

We offer a warranty on our products to guarantee customer satisfaction.

Our team of expert technicians is available to answer any questions you may have and to provide technical support when needed. If you have any questions or concerns, please do not hesitate to contact us.

### Packing and Shipping:

#### Packaging and Shipping for Cable Lug Connector:

The cable lug connector will be securely packaged in an appropriate-sized box.

The box will be sealed and labeled with the product name and a unique serial number.

The box will be shipped via a reputable delivery service.

### FAQ:

Q: What is the brand of the Cable Lug Connector?

A: The brand of the Cable Lug Connector is TLC.

Q: Where is the Cable Lug Connector from?

A: The Cable Lug Connector is from China.

Q: What certifications does the Cable Lug Connector have?

A: The Cable Lug Connector has UL, CUL, and CE certifications.

Q: What is the minimum order quantity?

A: The minimum order quantity is 1000.

Q: What is the price for the Cable Lug Connector?

A: The price of the Cable Lug Connector is USD.

Q: How will the Cable Lug Connector be packaged?

A: The Cable Lug Connector will be packaged in bags and cartons.

Q: How long will it take to deliver the Cable Lug Connector?

A: It will take 5-30 working days to deliver the Cable Lug Connector.

Q: What are the payment terms?

A: The payment terms are T/T.

Q: How many Cable Lug Connectors can you supply per month?

A: We can supply 1KK pcs of Cable Lug Connectors per month.
