

Bullet Male And Female Quick Disconnects Industrial Cable Lug Connector For Connection

Our Product Introduction

for more products please visit us on cableslugs.com

Basic Information

- Place of Origin: China
- Brand Name: TLC
- Certification: UL, CUL, CE
- Minimum Order Quantity: 1000
- Price: USD
- Packaging Details: bag, carton
- Delivery Time: 5-30 working days
- Payment Terms: T/T
- Supply Ability: 1KK pcs per month

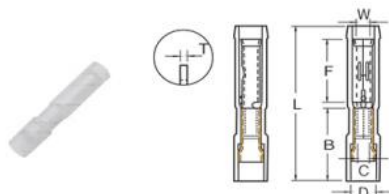

Product Specification

- Shape: Round
- Surface Finish: Tin Plated
- Material: Copper
- Current Rating: Full Range
- Color: Red, Green, Yellow, Blue
- Durability: Excellent
- Application: Industrial Connection
- Usage: Electrical Connector
- Highlight: **bullet connectors male and female TLC, Quick Disconnect terminal lug connector CUL, Industrial terminal lug connector CUL**

Product Description

BULLET - FEMALE QUICK DISCONNECTS

Product Description:

Bullet male and female disconnect is a kind of electrical connector used for a variety of different applications. It is an ideal option for connecting two electrical cables together or for connecting an electrical cable to a terminal block. With a wide range of color options, including red, green, yellow and blue, it can easily match any wiring needs. This connector is made of copper, which is known for its excellent durability and strength. It also has a male connector cable lug and a terminal connector, making it a reliable and safe choice for electric connectors. The Cable Lug Connector is ideal for multiple applications, from residential to industrial use, making it a great choice for any connection needs.

Technical Parameters:

Product Name	Cable Lug Connector
Color	Red, Green, Yellow, Blue
Application	Industrial Connection
Durability	Excellent
Current Rating	Full Range
Usage	Electrical Connector
Material	Copper
Surface Finish	Tin Plated
Shape	Round
Male and Female terminal lug	Male and Female terminal lug, Female connector cable lug

Applications:

TLC's Cable Lug Connector is a highly reliable and durable electrical connector. It is made of copper and has a round shape. It is UL, CUL, and CE certified, and its minimum order quantity is 1000. It is suitable for industrial connection and has excellent durability. It is sold in bags or cartons at a USD price and has a delivery time of 5-30 working days. T/T payment terms are accepted, and the supply ability is 1KK pieces per month.

It is a pluggable connector with a female connector cable lug. It is used to make electrical connections and is widely used in many applications. It is a terminal connector and can be used for a variety of electrical connections. It is highly reliable and easy to install, making it ideal for industrial uses.

TLC's Cable Lug Connector is built to last and can withstand harsh conditions, making it perfect for industrial applications. It is also cost-

effective, making it a great option for businesses. It is also a great choice for electrical connections, as it is highly reliable and easy to install.

Support and Services:

Cable Lug Connector Technical Support and Service

Our team provides comprehensive technical support and service for the Cable Lug Connector. We provide 24/7 customer service and technical support to help customers with installation, setup, and troubleshooting.

We also offer a range of services, such as product demonstration and training, product customization, and warranty services. Our team is experienced in providing technical advice and guidance for the Cable Lug Connector, and can help customers make the best use of the product.

For more information about our Cable Lug Connector technical support and service, please contact us. We look forward to helping you with your Cable Lug Connector needs.

Packing and Shipping:

Packaging and Shipping of Cable Lug Connector

Cable Lug Connector is packaged and shipped in packs of 10 pieces each. The packs are then placed in corrugated boxes and sealed securely with tape. The boxes are labeled with the product name, quantity, and weight.

The boxes are then stacked on pallets and shrink-wrapped. All pallets are labeled with the product name and quantity. The pallets are then placed in a truck and shipped to the customer's address.

FAQ:

Q&A for TLC Cable Lug Connector

Q: What is the Brand Name of the Cable Lug Connector?

A: The Brand Name of the Cable Lug Connector is TLC.

Q: Where is the Cable Lug Connector made?

A: The Cable Lug Connector is made in China.

Q: What certifications does the Cable Lug Connector have?

A: The Cable Lug Connector has UL, CUL, and CE certifications.

Q: What is the minimum order quantity of the Cable Lug Connector?

A: The minimum order quantity of the Cable Lug Connector is 1000.

Q: What is the price for the Cable Lug Connector?

A: The Cable Lug Connector is priced in USD.

Q: How is the Cable Lug Connector packaged?

A: The Cable Lug Connector is packaged in bags and cartons.

Q: How long does it take to deliver the Cable Lug Connector?

A: It takes 5-30 working days to deliver the Cable Lug Connector.

Q: What payment methods do you accept for the Cable Lug Connector?

A: We accept T/T as payment for the Cable Lug Connector.

Q: What is the maximum supply capacity of the Cable Lug Connector?

A: The maximum supply capacity of the Cable Lug Connector is 1KK pcs per month.
