

45 Degree Cable Lug Heavy Duty Connector For Electrical Wiring Copper Tube Lugs

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: TLC
- Certification: UL, CUL, CE
- Model Number: SC, TLK, T, TYF
- Minimum Order Quantity: 1000 pcs
- Price: USD
- Packaging Details: Carton Package
- Delivery Time: 5-30 days
- Payment Terms: T/T
- Supply Ability: 1KK pcs per month

Product Specification

- Product Name: 45 Degree Cable Lug
- Wire Gauge: 5-95mm²
- Color: Silver
- Size: 45 Degree
- Shape: Cable Lug
- Material: Copper
- Highlight: **45 Degree Cable Lug Heavy Duty,
45D Degree Cable Lug TLC,
Electrical Wiring Copper Tube Lugs 95mm²**

Product Description:

Lugs terminals are essential components in electrical systems. They create secure connections between wires, cables and electrical devices or equipment.

Proper installation of lugs terminals is incredibly important for optimal electrical performance as well as safety. It's fundamental that the process is followed correctly in order to avoid any dangerous situations.

Features:

Lugs terminals are essential components for **electrical systems**. They serve a *crucial role* for connecting wires or cables to various electrical devices or equipment.

Lugs are small metal connectors that are crimped and soldered to the ends of wires. They are designed to provide a strong and stable connection to the terminals. Lugs are available in a wide range of sizes and shapes, which are fit for different wire gauges and terminal types. Furthermore, these lugs are made of strong materials, such as copper, aluminum, and steel.

Applications:

A reliable electrical connection can be achieved by the utilization of lugs and terminals. These essential components are essential for the transfer of electrical power or signals between devices, allowing them to operate smoothly and efficiently without interruption. Without the security of lugs and terminals, there is a chance of creating loose electrical connections which could cause poor performance, overheating, or even complete electrical failure.

Support and Services:

Technical Support and Service for 45 Degree Cable Lug

At ABC Corporation, we provide excellent technical support and service for 45 Degree Cable Lug products. Our team of experts is available 24 hours a day, 7 days a week to provide you with the best customer service and technical support you need. Our technicians are experienced and knowledgeable in the installation and maintenance of 45 Degree Cable Lug products and can answer any questions you may have. We also offer on-site services for installation, repairs, and maintenance of your 45 Degree Cable Lug products.

We strive to offer the highest quality of service and support for our 45 Degree Cable Lug products. Our experienced technicians are dedicated to ensuring that your product is working properly and will do their best to resolve any issues quickly and efficiently.

If you have any questions or inquiries about 45 Degree Cable Lug products, please do not hesitate to contact us. Our customer service team is standing by to help you with any technical support or service needs you may have.

Packing and Shipping:

Packaging and Shipping of 45 Degree Cable Lug

The 45 Degree Cable Lug is packaged in cardboard boxes and wrapped in plastic wrap for protection against dust. The box is then sealed with tape for added security. The boxes are then placed on wooden pallets and secured with shrink wrap. The pallets are then loaded onto trucks for delivery to the customer.

FAQ:

Q: What is the Brand Name of 45 Degree Cable Lug?

A: The Brand Name of 45 Degree Cable Lug is TLC.

Q: What are the Model Numbers of 45 Degree Cable Lug?

A: The Model Numbers of 45 Degree Cable Lug are SC, TLK, T, TYF.

Q: Where is 45 Degree Cable Lug from?

A: 45 Degree Cable Lug is from China.

Q: What certifications does 45 Degree Cable Lug have?

A: 45 Degree Cable Lug has UL, CUL, CE certifications.

Q: What is the Minimum Order Quantity for 45 Degree Cable Lug?

A: The Minimum Order Quantity for 45 Degree Cable Lug is 1000 pcs.

Q: How much does 45 Degree Cable Lug cost?

A: 45 Degree Cable Lug costs USD.

Q: What is the Packaging Details for 45 Degree Cable Lug?

A: The Packaging Details for 45 Degree Cable Lug is Carton Package.

Q: How long does it take to deliver 45 Degree Cable Lug?

A: It will take 5-30 days to deliver 45 Degree Cable Lug.

Q: What are the Payment Terms for 45 Degree Cable Lug?

A: The Payment Terms for 45 Degree Cable Lug is T/T.

Q: What is the Supply Ability of 45 Degree Cable Lug?

A: The Supply Ability of 45 Degree Cable Lug is 1KK pcs per month.
