

Copper Wire Aluminum Electrical Terminal Equipment

Our Product Introduction

for more products please visit us on cableslugs.com

Basic Information

- Place of Origin: China
- Brand Name: TLC
- Model Number: DTL
- Minimum Order Quantity: 500-2000
- Price: USD
- Packaging Details: Carton
- Delivery Time: 5-30 working days
- Payment Terms: T/T
- Supply Ability: 200K pcs per month

Product Specification

- Material: Copper Wire Aluminum Terminal
- Application: Electrical Equipment, Automotive, Etc.
- Temperature Rating: -40 -105
- Insulation Color: Red, Black, White, Yellow, Etc.
- Terminal Material: Copper, Aluminum, Etc.
- Packaging: Carton, Reel, Etc.
- Highlight: **DTL Copper Wire Aluminum Terminal, Electrical Copper Wire Aluminum Terminal, aluminium terminal lugs for Automotive**

Product Description:

Copper Wire Aluminum Terminal

This Copper Wire Aluminum Terminal is made of superior quality materials such as copper and aluminum, which are combined in a special way to achieve the highest quality of terminal. It has a temperature rating of -40 -105 and comes in a variety of insulation colors such as red, black, white and yellow. The Copper Wire Aluminum Terminal is highly durable and robust, making it perfect for any application. It is also available in a variety of packaging options such as cartons and reels. This Copper Wire Aluminum Terminal is an ideal choice for any heavy duty application due to its combination of copper and aluminum, making it a reliable and cost-effective solution.

Features:

Product Name: Copper Wire Aluminum Terminal

Application: Electrical Equipment, Automotive, Etc.

Terminal Material: Copper, Aluminum, Etc.

Material: Copper Wire Aluminum Terminal

Temperature Rating: -40 -105

Packaging: Carton, Reel, Etc.

Keywords: Copper Aluminum Cable Lug, Cable Lug Copper Aluminum, Cable Lug Copper Aluminum Terminal

Applications:

TLC copper wire aluminum terminal is the perfect solution for your electrical equipment, automotive, and other applications. With its high-quality materials, the copper wire aluminum terminal is designed for long-lasting and reliable performance. Made with copper and aluminum, this cable lug is guaranteed to provide a strong and secure connection. It is lightweight and comes in a variety of sizes and colors, such as red, black, white, and yellow, so you can find the perfect fit for your needs. Plus, the terminal material is corrosion-resistant, so it can withstand the elements and keep your connections secure even in harsh climates.

In addition, this copper wire aluminum terminal is easy to install and comes with a minimum order quantity of 500-2000. It is also competitively priced and comes in a variety of packaging options, such as carton and reel. With its fast delivery time of 5-30 working days and a generous supply ability of up to 200K pcs per month, TLC copper wire aluminum terminals are the perfect choice for any project or application.

So if you're looking for a reliable, high-quality copper aluminum terminal, look no further than TLC. With its superior materials and competitive prices, you can rest assured that your project will be completed with the highest quality and in a timely manner.

Support and Services:

Copper Wire Aluminum Terminal Technical Support and Service

At ABC Company, we take pride in providing quality technical support and service for our Copper Wire Aluminum Terminal products. Our team of experienced technicians are available to answer any questions or concerns you may have about our products. We also offer a variety of installation and troubleshooting services, as well as regular maintenance and repair services.

In addition, we offer a complete line of replacement parts for our Copper Wire Aluminum Terminal products. Our parts are designed to meet the highest quality standards, ensuring your product will perform at its best. If you ever need to replace a part, our technicians can help you find the right one.

At ABC Company, customer satisfaction is our top priority. We are committed to providing the best support and service for our Copper Wire Aluminum Terminal products. If you have any questions or concerns, please don't hesitate to contact us.

Packing and Shipping:

Packaging and Shipping for Copper Wire Aluminum Terminal

Copper Wire Aluminum Terminal is packaged in polyethylene bags and securely sealed in cardboard boxes for safe shipping. The product should be handled with care to ensure that it arrives in perfect condition.

The boxes are labeled with product information, including the product's name, the manufacturer's name, and the shipping destination. The boxes are then shrink wrapped and securely taped for safe transport.

The Copper Wire Aluminum Terminal is shipped via FedEx or UPS Ground, and tracking information will be provided upon shipment.

FAQ:

Q&A

Q: What is the brand name of Copper Wire Aluminum Terminal?

A: The brand name of Copper Wire Aluminum Terminal is TLC.

Q: Where is Copper Wire Aluminum Terminal from?

A: Copper Wire Aluminum Terminal is from China.

Q: What is the minimum order quantity of Copper Wire Aluminum Terminal?

A: The minimum order quantity of Copper Wire Aluminum Terminal is 500-2000.

Q: What is the price of Copper Wire Aluminum Terminal?

A: The price of Copper Wire Aluminum Terminal is USD.

Q: What is the packaging details of Copper Wire Aluminum Terminal?

A: The packaging details of Copper Wire Aluminum Terminal is Carton.
