TLC TERMINALS INC.
Terminals

Product Description:

Cable Lugs are an integral part of electrical systems. They are fundamental to connecting wires or cables to various electrical devices or equipment.

Tube Lugs are small metal connectors that are crimped or soldered onto the ends of wires. These Lugs are designed to be dependable and secure to terminals. They come in a variety of sizes and shapes to fit different wire gauges and terminal types.

Applications:

Tubular Cable Lugs from TLC are designed for the connection of aluminium and copper cables. With a temperature range of -40 ~ +105 °C, they are perfect for a wide range of environmental conditions. TLC's tubular cable lugs come in a range of sizes, from 10mm2 to 400mm2, in silver or tin-plated copper. The minimum order quantity is 1000 pcs and they are available in both individual carton packing or bulk packaging. Delivery times vary from 5-30 days.

Tubular Cable Lugs from TLC are easy to install and require no special tools. They are designed for use with all types of copper and aluminum cables and are suitable for a variety of applications. Their high conductivity, low contact resistance, and superior corrosion resistance makes them the perfect choice for a wide array of applications, including automotive, solar, marine, industrial, and domestic. TLC's tubular cable lugs are the perfect solution for connecting aluminium and copper cables. With their temperature range, high conductivity, and superior corrosion resistance, they are ideal for a variety of applications. Their easy installation, low contact resistance, and size range from 10mm2 to 400mm2 make them the perfect choice for copper tube lug, copper tube lug, tube lugs, tubular cable lug and other applications.

Customization:

Tubular Cable Lugs Custom Service

Brand Name: TLC
Model Number: TLK

Customize your wire lugs with TLC's Tubular Cable Lugs. With a cable range of 2.5-10mm², and a temperature range of -40 ~+105, our lugs cable are sure to meet your needs. Tin Plated and made with high quality silver and copper materials, these Tubular Cable Lugs are the perfect choice for any project.

Order in bulk with a minimum order quantity of 1000 pcs, and get them delivered to you in 5-30 days. Packaged in a carton, the finished product will be sure to impress.

Choose TLC's Tubular Cable Lugs for your next project, and get the quality and reliability you deserve.

Support and Services:

Tubular Cable Lugs Technical Support and Service

Our professional technical support and service team provides a wide range of services to ensure the highest quality and performance of our Tubular Cable Lugs. Our services include:

Product installation and troubleshooting

Real-time technical support via phone, email, and online chat

On-site inspections and repairs

Product customization and maintenance

Guaranteed satisfaction

We are committed to providing our customers with the highest quality Tubular Cable Lugs and the best customer service in the industry. If you have any questions or need assistance, please don't hesitate to contact us.

Packing and Shipping:

Packaging and Shipping for Tubular Cable Lugs

Tubular cable lugs are packaged and shipped in accordance with industry standards in order to ensure compliance with customer requirements.

The lugs are packed in cardboard boxes, foam sealed, and then shrink wrapped. The cardboard box is marked with the product name, description, and quantity. The box is then securely sealed with tape to prevent damage during shipping.

Once the lugs are packaged, they are transported to the customer using a reliable shipping method. The lugs are typically shipped via ground, air, or sea, depending on the customer's needs. Once the lugs arrive at the customer's location, they are inspected and tested to ensure they meet the customer's requirements.

Tubular cable lugs are a reliable and cost-effective way to meet customer demands. They are shipped safely and securely in order to ensure the customer receives the best product possible.

FAQ:

Q1: What is the brand name of Tubular Cable Lugs?

A1: The brand name of Tubular Cable Lugs is TLC.

Q2: What is the model number of Tubular Cable Lugs?

A2: The model number of Tubular Cable Lugs is TLK.

Q3: Where is Tubular Cable Lugs made?

A3: Tubular Cable Lugs is made in China.

Q4: What is the minimum order quantity for Tubular Cable Lugs?

A4: The minimum order quantity for Tubular Cable Lugs is 1000 pcs.

Q5: How about the packaging and delivery time for Tubular Cable Lugs?

A5: The packaging for Tubular Cable Lugs is carton and the delivery time is 5-30 days.
