

5-35mm² 45D Cable Lug Durable And Reliable Copper Terminal Lug 45 Degree Wire Inlet

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: TLC
- Certification: UL, CUL, CE
- Model Number: SC, TLK, T, TYF
- Minimum Order Quantity: 1000 pcs
- Price: USD
- Packaging Details: Carton Package
- Delivery Time: 5-30 days
- Payment Terms: T/T
- Supply Ability: 1KK pcs per month

Product Specification

- Size: 45 Degree
- Material: Copper
- Color: Silver
- Product Name: 45 Degree Cable Lug
- Wire Gauge: 5-95mm²
- Shape: Cable Lug
- Highlight: **45D Cable Lug Wire Inlet 35mm²,
45D Copper Terminal Lug tlc,
TLC Copper Terminal Lug 45 DEGREE**

TLC TERMINALS INC.
Terminals 137

Product Description:

Lugs Terminals

Lugs terminals are vital components within electrical systems, offering secure and dependable connections between wires or cables and electrical devices or equipment.

The correct installation of lugs terminals is of paramount importance for obtaining optimal electrical performance and also for safety reasons.

Features:

Lugs terminals are a must-have component in electrical systems. They are of vital importance as they act as connectors to fasten wires or cables to various electrical appliances or equipment.

Lugs are small metal fasteners clamped or welded onto the wire's endings. The function of lugs is to guarantee a reliable and secure connection to terminals. They are engineered in various sizes and shapes to meet the criteria of different wire gauges and terminal models.

Applications:

Properly installed lugs and terminals are very important for electrical stability. It ensures that the transfer of signals or electricity between

two devices is done without any losses. Without a strong and stable connection, the electrical power or signals between two devices will not be effective, resulting in poor performance or even complete electrical failure. Lugs and terminals are designed for a secure fit. This ensures that the connection is maintained, helping to avoid any loose connections which may cause overheating or electrical outbreaks. By having an efficient and tightly secured electrical connection between two devices, a smooth and effective transfer of power or signals is guaranteed.

Support and Services:

Our 45 Degree Cable Lug offers technical support and services. We provide a wide range of services to meet the needs of our customers, such as free technical advice and product assistance, installation and maintenance services, and after-sales service. Our technical support team is available to answer any questions you may have regarding the product and its use. Our team of experienced technicians can help you with installation and maintenance, and ensure that your product is working properly and safely. We also offer a full range of replacement parts and accessories to ensure that your product is always in top condition and ready for use.

Packing and Shipping:

Packaging and Shipping of 45 Degree Cable Lug:

The product is packaged in a sealed carton. It is then placed onto a pallet and secured with plastic wrap. The pallet is then moved to the shipping area, where it is loaded into a shipping container. The container is then shipped to the customer's destination.

FAQ:

Q: What is the brand name of the 45 Degree Cable Lug?

A: The brand name of the 45 Degree Cable Lug is TLC.

Q: What is the model number of the 45 Degree Cable Lug?

A: The model number of the 45 Degree Cable Lug includes SC, TLK, T and TYF.

Q: Where is the 45 Degree Cable Lug made?

A: The 45 Degree Cable Lug is made in China.

Q: What certifications does the 45 Degree Cable Lug have?

A: The 45 Degree Cable Lug is certified by UL, CUL and CE.

Q: What is the minimum order quantity of the 45 Degree Cable Lug?

A: The minimum order quantity of the 45 Degree Cable Lug is 1000 pcs.

Q: How much does the 45 Degree Cable Lug cost?

A: The 45 Degree Cable Lug is priced in USD.

Q: What is the packaging of the 45 Degree Cable Lug?

A: The 45 Degree Cable Lug is packed in carton package.

Q: How long is the delivery time of the 45 Degree Cable Lug?

A: The delivery time of the 45 Degree Cable Lug is 5-30 days.

Q: What payment terms are accepted for the 45 Degree Cable Lug?

A: The payment terms accepted for the 45 Degree Cable Lug are T/T.

Q: How many 45 Degree Cable Lugs can be supplied each month?

A: 1KK pcs 45 Degree Cable Lugs can be supplied each month.
