

90D Copper Cable Lug 8-120mm² For Electrical Connection

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: TLC
- Certification: UL, CUL, CE
- Model Number: 90D
- Minimum Order Quantity: 1000
- Price: USD
- Packaging Details: bag, Carton package
- Delivery Time: 5-30 working days
- Payment Terms: T/T
- Supply Ability: 500K pcs per month

Product Specification

- Temperature Rating: -40-105°C
- Package Quantity: 1000-10pcs
- Shape: Lug
- Max Current: 500A
- Finish: Tin Plated
- Color: Silver
- Material: Copper
- Product Name: 90 Degree Cable Lug
- Highlight: **90D Copper Cable Lugs, tlc Copper Cable Lugs, TLC 90D degree battery cable ends**

Product Description

Product Description:

Lugs terminals are an essential part of any electrical system. They are used to connect wires or cables to electrical devices and equipment.

The lugs themselves are small metal connectors that are crimped or soldered onto the ends of the wires. The idea is that having them securely connected to the terminals should provide a reliable connection.

Lugs are available in a range of different sizes and shapes. This allows for various gauges of wire and different types of terminals to be connected.

Non-Insulated - Copper Lugs

TUBULAR LUGS TERMINALS

Technical Parameters:

90D Terminal Lug

A 90D terminal lug is an electrical connector that is used to connect or secure a wire. It is typically made of metal and does not have an insulating function.

Non-insulated terminal lugs are widely used in a variety of industries, such as the electrical and electronic, automotive, and home appliance industries. Their prevalence is due to their robustness for leading a current while being easy to affix.

Applications:

TLC 90D cable lug is a 90 degree wire inlet cable lug, which is a perfect connection for solid cables with sizes ranging from 1.25-250mm2. It is widely used in different application scenarios, and is certified by UL, CUL and CE. It is produced with top quality copper and tin plated finish. It is available in packs of 1000 with a price of USD, and can be packaged in bags or cartons. The delivery time is 5-30 working days, and the payment terms are T/T. The supply ability is 500K pcs per month.

Customization:

90 Degree Cable Lug

Brand Name: TLC

Model Number: 90D

Place of Origin: China

Certification: UL, CUL, CE

Minimum Order Quantity: 1000

Price: USD

Packaging Details: bag, Carton package

Delivery Time: 5-30 working days

Payment Terms: T/T
Supply Ability: 500K pcs per month
Color: Silver
Max Current: 500A
Finish: Tin Plated
Material: Copper
Shape: Lug
Features: 90D terminal cable lug, Vertical wire inlet, 90D cable lug

Support and Services:

Technical Support and Services for 90 Degree Cable Lug: -----
Provide professional technical advice to customers on product selection and usage.
Offer installation and maintenance services.
Provide repair and replacement services.
Offer on-site training on product use.
Provide after-sales customer service.

Packing and Shipping:

The 90 Degree Cable Lug is packaged in a cardboard box for safe shipping. Each box contains 25 pieces of lugs. The box is sealed with adhesive tape to protect it from external damage. The box is labeled with the product name and a barcode for easy tracking. The box is then placed in a cardboard shipping box which is also labeled with the product information. The shipping box is then wrapped in bubble wrap and placed in a sturdy cardboard shipping carton for further protection. The carton is sealed with adhesive tape and labeled with a shipping address and tracking number.

FAQ:

What is the brand name of the 90 Degree Cable Lug? -----
The brand name of the 90 Degree Cable Lug is TLC.
What is the model number of the 90 Degree Cable Lug?
The model number of the 90 Degree Cable Lug is 90D.
Where is the 90 Degree Cable Lug manufactured?
The 90 Degree Cable Lug is manufactured in China.
What certifications does the 90 Degree Cable Lug have?
The 90 Degree Cable Lug has UL, CUL, and CE certifications.
What is the minimum order quantity for the 90 Degree Cable Lug?
The minimum order quantity for the 90 Degree Cable Lug is 1000 units.
