

Copper Terminal -40C-105C Aluminum Cable Lug

Our Product Introduction

for more products please visit us on cableslugs.com

Basic Information

- Place of Origin: China
- Brand Name: TLC
- Minimum Order Quantity: 500-2000
- Price: USD
- Packaging Details: Carton
- Delivery Time: 5-30 working days
- Payment Terms: T/T
- Supply Ability: 200K pcs per month

Product Specification

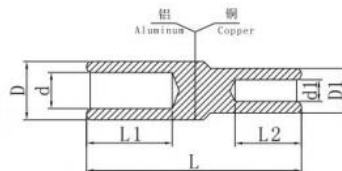

- Terminal Material: Copper, Aluminum, Etc.
- Application: Electrical Equipment, Automotive, Etc.
- Material: Copper Wire Aluminum Terminal
- Packaging: Carton, Reel, Etc.
- Insulation Color: Red, Black, White, Yellow, Etc.
- Temperature Rating: -40 -105
- Highlight: **+105C Copper Wire Aluminum Terminal, Copper Wire Aluminum Terminal -40C, Aluminum Cable Lug -40C TLC**

Product Description:

Copper Wire Aluminum Terminal is a type of wire terminal designed for electrical equipment, automotive, and other applications. It is made of copper and aluminum, with an insulation color of red, black, white, yellow, etc. Its temperature rating is -40 -105 , making it suitable for a wide range of uses. The terminal material is available in copper and aluminum, with packaging options including carton, reel, and more. The Copper Wire Aluminum Terminal also known as Copper aluminum terminal, Copper aluminum cable lug, and Aluminum combine with copper lug. This product is very reliable and durable, making it ideal for any application.

Features:

Product Name: Copper Wire Aluminum Terminal

Material: Copper Wire Aluminum Terminal

Terminal Material: Copper, Aluminum, Etc.

Insulation Color: Red, Black, White, Yellow, Etc.

Temperature Rating: -40 -105

Application: Electrical Equipment, Automotive, Etc.

Aluminum Terminal Lug: Copper aluminum cable lug, Copper aluminum terminal

Applications:

TLC's Copper Wire Aluminum Terminal is a highly efficient and cost-effective product for applications in Electrical Equipment, Automotive, and other industries. It features a temperature rating of -40 -105 , and an insulation color of Red, Black, White, Yellow, etc. With a minimum order quantity of 500-2000, this product is supplied in a variety of packaging including Carton, Reel, etc. It is made of high-grade Copper Wire Aluminum materials, and its brand name is TLC. It is available at an affordable price of USD, and is capable of a supply ability of 200K pcs per month. Delivery is usually within 5-30 working days, and customers can make payments via T/T. This product is a great choice for applications such as Cable lug copper aluminum, Copper aluminum cable lug, and Aluminum combine with copper lug.

Support and Services:

Copper Wire Aluminum Terminal offers technical support and services to its customers. Customers can contact us through email, phone, or live chat to receive assistance with installation, troubleshooting, and product selection.

We have a team of experienced technicians who are available to answer any questions you may have about the product. Our technicians are knowledgeable and can provide troubleshooting steps to help you resolve any issues you may be experiencing.

We also offer a warranty for our products. We stand behind our products and will fix or replace any defective products within the warranty period. If our technicians are unable to resolve an issue, we will provide a full refund.

We are committed to providing our customers with the best service possible. If you have any questions or concerns about our product, please do not hesitate to contact us.

Packing and Shipping:

Packaging and Shipping for Copper Wire Aluminum Terminal:

The Copper Wire Aluminum Terminal will be securely packaged in cardboard boxes.

The boxes will be shipped using standard courier services.

The packages will be labeled clearly with the product name and destination address.

Tracking information will be available to the customer with each shipment.

FAQ:

Q: What is the brand name of this Copper Wire Aluminum Terminal?

A: The brand name of this Copper Wire Aluminum Terminal is TLC.

Q: Where is it manufactured?

A: This Copper Wire Aluminum Terminal is manufactured in China.

Q: What is the minimum order quantity?

A: The minimum order quantity is 500-2000.

Q: What is the price?

A: The price of this Copper Wire Aluminum Terminal is USD.

Q: What is the packaging details?

A: The packaging details of this Copper Wire Aluminum Terminal is carton.

Q: How long is the delivery time?

A: The delivery time of this Copper Wire Aluminum Terminal is 5-30 working days.
