100 TLC TERMINALS INC. Terminals

Product Description:

Installing lugs and terminals is an important method to ensure a strong and stable electrical connection. It is essential for effectively delivering electrical power or signals between appliances.

With correct installation of lugs and terminals, it can prevent against loose connections which may result in inadequate operation, dangerous high temperature or total electrical failures.

Technical Parameters:

Property	Specification
Application	Electrical Connections
Package	Carton
Color	Silver
Material	Copper
Product Name	Copper Tube Terminals

Shape	Round
Type	High Power Tube Cable Lug
Terminal Lug	Tube Terminal Lug

Applications:

Tube cable lugs are metal connector components that offer a secure connection to different types of terminals. Depending on the wire gauge and terminal types utilized, these lugs come in different sizes and shapes. They can either be crimped or soldered onto the ends of wires, ensuring a reliable attachment. Such procedures allow wires to remain firmly connected to terminals, even in more extreme environments.

Customization:

Copper Tube Terminals - Customized by TLC

Brand Name: **TLC**

Place of Origin: **China**

Certification: **UL, CUL, CE**

Minimum Order Quantity: **1000**

Price: **USD**

Packaging Details: **bag, carton package**

Delivery Time: **5-30 working days**

Payment Terms: **T/T**

Supply Ability: **800K pcs per month**

Shape: **Round**

Color: **Silver**

Application: **Electrical Connections**

Product Name: **Copper Tube Terminals**

Material: **Copper**

TLC offers **Tube Terminal Lug, Copper Tube Terminals** and **Cable lug copper tube terminals** with customized services. Our copper tube terminals are perfect for electrical connections, made of copper material, round shape, and silver color. The minimum order quantity is 1000, and the price is in USD. Our supply ability is 800K pcs per month. All our products are certified with UL, CUL, and CE. They will be packaged in bags and carton boxes, and delivered within 5-30 working days. Payment terms are T/T.
