

Aluminum Electrical Equipment Terminal Lug -40C-105C Copper Wire Aluminum Terminal

Our Product Introduction

for more products please visit us on cableslugs.com

Basic Information

- Place of Origin: China
- Brand Name: TLC
- Model Number: RDTL
- Minimum Order Quantity: 500-2000
- Price: USD
- Packaging Details: Carton
- Delivery Time: 5-30 working days
- Payment Terms: T/T
- Supply Ability: 200K pcs per month

Product Specification

- Packaging: Carton, Reel, Etc.
- Application: Electrical Equipment, Automotive, Etc.
- Temperature Rating: -40 -105
- Terminal Material: Copper, Aluminum, Etc.
- Material: Copper Wire Aluminum Terminal
- Insulation Color: Red, Black, White, Yellow, Etc.
- Highlight: **Electrical Equipment aluminum electrical lugs, Copper Wire Aluminum Terminal TLC, Electrical Equipment aluminum terminal lugs**

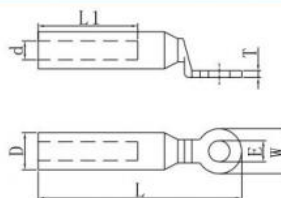

Product Description

Copper And Aluminum Terminals

RING TERMINALS

Material
Terminal Body: Copper
Metallic Sleeve: Aluminum

Product Description:

Our **Copper Wire Aluminum Terminal** offers a reliable and dependable connection when combined with copper lug. It is a combination of a copper and aluminum terminal that provides a wide range of benefits. It is designed to withstand temperatures ranging from -40 to 105 . It is available in a variety of insulation colors, such as red, black, white, and yellow. It is made of premium quality copper and aluminum and is packaged in cartons or reel to ensure its safe delivery. With these copper aluminum lugs, it is easy to create a stable and secure connection for your electrical wiring requirements. It is an ideal choice for both commercial and residential applications.

Features:

Product Name: Copper Wire Aluminum Terminal

Temperature rating: -40 -105

Material: Copper Wire Aluminum Terminal

Packaging: Carton, Reel, Etc.

Terminal Material: Copper, Aluminum, Etc.

Application: Electrical Equipment, Automotive, Etc.

Keywords: Copper aluminum terminal, Cable lug copper aluminum, Aluminum combine with copper lug

Applications:

TLC Copper Wire Aluminum Terminal is a reliable and durable product that is widely used in various applications. It is made of high-quality aluminum and copper material, which can ensure superior performance for a long time. The insulation color is available in red, black, white, yellow and other colors, and the packaging is available in carton and reel. It is suitable for electrical equipment, automotive and other industries.

The minimum order quantity of TLC Copper Wire Aluminum Terminal is 500-2000 pieces. The price is USD, and the supply ability can reach up to 200K pieces per month. In addition, it has excellent performance and can be delivered within 5-30 working days after payment. It is a great choice for those who need a reliable and durable terminal for their equipment.

TLC Copper Wire Aluminum Terminal is the perfect combination of copper and aluminum, which makes it a perfect choice for those who need a reliable and durable terminal for their equipment. It is available in various sizes and colors, so you can choose the one that suits your needs. With its superior performance and long-lasting durability, it is sure to be a great addition to your equipment. So, don't wait, get your TLC Copper Wire Aluminum Terminal now and enjoy its superior performance.

Support and Services:

Copper Wire Aluminum Terminal Technical Support and Service

We provide technical support and service for Copper Wire Aluminum Terminal. Our support team are experienced and knowledgeable and are available 24/7 to help you with any technical difficulties you may experience. Our service is fast, efficient and friendly. We are committed to providing the best customer service and technical support possible.

Packing and Shipping:

Packaging and Shipping of Copper Wire Aluminum Terminal

The product will be packed in a carton, loaded with a foam insert to secure the product.

The carton will be sealed with the product name and product specifications printed on it.

The product will be shipped via a reliable carrier with an expected delivery time of 4-7 business days.

All shipments will be tracked and a tracking number will be provided to the customer.

FAQ:

Q: What is the brand name of the Copper Wire Aluminum Terminal?

A: The brand name of the Copper Wire Aluminum Terminal is TLC.

Q: Where is the Copper Wire Aluminum Terminal manufactured?

A: The Copper Wire Aluminum Terminal is manufactured in China.

Q: What is the minimum order quantity for the Copper Wire Aluminum Terminal?

A: The minimum order quantity for the Copper Wire Aluminum Terminal is 500-2000.

Q: How much does the Copper Wire Aluminum Terminal cost?

A: The Copper Wire Aluminum Terminal costs USD.

Q: What kind of packaging is used for the Copper Wire Aluminum Terminal?

A: The Copper Wire Aluminum Terminal is packaged in a carton.
