

50-120mm² 45 Degree Copper Cable Lug Tube Terminal Lugs

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: TLC
- Certification: UL, CUL, CE
- Model Number: SC, TLK, T, TYF
- Minimum Order Quantity: 1000 pcs
- Price: USD
- Packaging Details: Carton Package
- Delivery Time: 5-30 days
- Payment Terms: T/T
- Supply Ability: 1KK pcs per month

Product Specification

- Size: 45 Degree
- Color: Silver
- Material: Copper
- Wire Gauge: 5-95mm²
- Shape: Cable Lug
- Product Name: 45 Degree Cable Lug
- Highlight: **45 Degree Copper Cable Lug tlc, Tube Terminal Lugs 50-120mm², 50-120mm² Tube Terminal Lugs**

Product Description:

Lugs terminals are significant components in electrical systems, which can establish secure and reliable connections between wires or cables and electrical devices or equipment. Proper installation is of great importance for optimizing electrical performance and safety.

Features:

Lugs terminals are an irreplaceable part in electrical systems. Acting as vital connections to wires or cables, they are vital in linking all sorts of electrical instruments or equipments together.

These small metal pieces can be either crimped or soldered onto the tips of the cables. Designed to assure security and reliability, lugs are manufactured in multiple sizes and shapes to meet different wire gauges and terminal needs. They are extensively used especially in panel systems, control boxes and circuit boards.

Applications:

The combination of lugs and terminals provides a **strong and stable electrical connection**. This is an essential part for delivering **efficient electrical power transmission or signal transfer** between two devices. Its **adequate installation** ensures that any kinds of **loose connection** should be prevented effectively. Otherwise, it may lead to **poor performance, malfunction, or even electrical failure**.

Support and Services:

45 Degree Cable Lug Technical Support & Services

We provide technical support and services for 45 Degree Cable Lug products. Our experts are available 24/7 to answer any inquiries and help you troubleshoot any issues. We also offer a 30-day warranty on all our products. Our services include:

- Free technical advice and guidance
- Troubleshooting assistance
- Replacement parts
- Installation and setup support
- Product maintenance and repair

For more information, please visit our website or contact us at support@example.com.

Packing and Shipping:

Packaging & Shipping

The 45 Degree Cable Lug is packaged in individual box or carton for protection and ease of handling. A shipping label is applied to the box or carton, and the package is shipped to the customer via the customer's specified carrier.

FAQ:

Q1: What is the brand name of 45 Degree Cable Lug?

A1: The brand name of 45 Degree Cable Lug is TLC.

Q2: What is the model number of 45 Degree Cable Lug?

A2: The model number of 45 Degree Cable Lug is SC, TLK, T, TYF.

Q3: Where is the 45 Degree Cable Lug made?

A3: 45 Degree Cable Lug is made in China.

Q4: What certification does 45 Degree Cable Lug have?

A4: 45 Degree Cable Lug has UL, CUL, CE certification.

Q5: What is the minimum order quantity for 45 Degree Cable Lug?

A5: The minimum order quantity for 45 Degree Cable Lug is 1000 pcs.
