

Tin Plated Tubular Cable Lugs -40C~+105C Temperature Range 90D Wire Inlet T90D 10-120mm2

Our Product Introduction

for more products please visit us on cableslugs.com

Basic Information

- Place of Origin: China
- Brand Name: TLC
- Model Number: T90D
- Minimum Order Quantity: 1000 pcs
- Price: USD
- Packaging Details: Carton
- Delivery Time: 5-30 days
- Payment Terms: T/T
- Supply Ability: 1 KK pcs per month

Product Specification

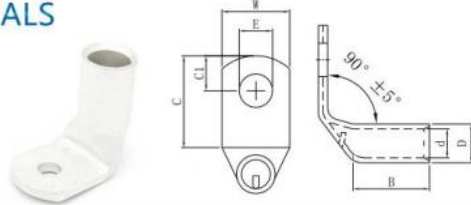

- Cable Range: 10-120mm2
- Material: Copper
- Color: Silver
- Tin Plated: Yes
- Temperature Range: -40 ~+105
- Highlight: **90D Tin Plated Tubular Cable Lugs,
0.5mm2 Tin Plated Tubular Cable Lugs,
90 degree terminal 10mm2 tlc**

Non-Insulated - Copper Lugs

Product Description:

Cable Lugs are important pieces of equipment in electrical systems, and they serve a vital purpose – connecting wires or cables with different electrical machines or apparatus.

Tube Lugs are comprised of a small metal connector – commonly secured to a wire end with the use of crimping or soldering. These function by offering a firm and reliable connection to terminals of various types. To cater for different wire gauges and terminals, manufacturers create numerous shapes and sizes of lugs.

Applications:

Tubular Cable Lugs, also known as terminal lugs or wire lugs, are an essential part of electrical or electronic system. Brand Name TLC and Model Number TLK of Tubular Cable Lugs are made in China. The Minimum Order Quantity is 1000 pcs, and the Packaging Details is Carton. The Delivery Time is 5-30 days. The Size of Tubular Cable Lugs is 10mm2, and the Tin Plated is Yes. The Temperature Range is -40 ~+105 , and the Color is Silver. The Cable Range of Tubular Cable Lugs is 2.5-10mm2. Tubular Cable Lugs are used widely in the industries of electrical and electronic due to its excellent performance.

Support and Services:

Technical Support and Service for Tubular Cable Lugs

At ABC, our goal is to provide world-class technical support and service for Tubular Cable Lugs. We provide a range of services, including:

- Installation and troubleshooting support
- Comprehensive product training
- Product testing and verification services
- On-site maintenance and repair services
- Scheduled maintenance and inspection services
- Product customization services
- 24/7 customer service and technical support

We also offer free software updates and upgrades, as well as access to our online knowledge base. Our knowledgeable and helpful technicians are available to answer any questions you may have about our products or services.

For more information about our technical support and service for Tubular Cable Lugs, please contact our customer service team.

Packing and Shipping:

Packaging and Shipping: Tubular Cable Lugs

Tubular Cable Lugs are packaged and shipped in the following manner:

Each lug is securely packaged in a plastic bag.

The lugs are then placed in a cardboard box.

The box is then sealed with tape.

The box is then labeled with the product information.

The box is then shipped to the customer.

FAQ:

Q: What is TLC Tubular Cable Lugs?

A: TLC Tubular Cable Lugs is a kind of connectors for electrical cables. It is produced by TLC, Model Number TLK, origin from China.

Q: What is the Minimum Order Quantity?

A: The Minimum Order Quantity is 1000 pcs.

Q: How about the packaging?

A: The packaging of TLC Tubular Cable Lugs is carton.

Q: How long is the delivery time?

A: The delivery time is 5-30 days.

Q: What is the application of TLC Tubular Cable Lugs?

A: TLC Tubular Cable Lugs can be used in electrical cables connection, such as household appliances, office equipment, lighting and audio equipment.
