

Silver 45 Degree Cable Lug B2B Cable Connectors For Electrical Wiring 70-185mm2

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: TLC
- Certification: UL, CUL, CE
- Model Number: T series
- Minimum Order Quantity: 1000 pcs
- Price: USD
- Packaging Details: Carton Package
- Delivery Time: 5-30 days
- Payment Terms: T/T
- Supply Ability: 1KK pcs per month

Product Specification

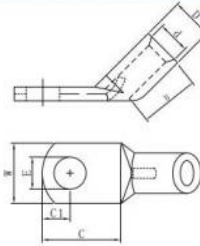

- Color: Silver
- Shape: Cable Lug
- Wire Gauge: 70-185mm2
- Size: 45 Degree
- Material: Copper
- Product Name: 45 Degree Cable Lug
- Highlight: **45D Degree Cable Lug TLC,
45 Degree Cable Lug 185mm2 TLC,
electrical wiring lugs 70mm2 TLC**

Non-Insulated - Copper Lugs

T45° LUGS TERMINALS

Material
Terminal Body: Copper
Plating: Tin

Product Description:

The combination of lugs and terminals ensures a strong and stable electrical connection, which is essential for the efficient transfer of electrical power or signals between devices.

Properly installed lugs and terminals help to ensure the connection is secure and to prevent loose connections. These loose connections can lead to poor performance, malfunctioning, and overheating, and may even cause electrical failures.

45D cable lugs terminals are important components in electrical systems. They are vital in providing secure and reliable connections between wires or cables and electrical devices or equipment. Without proper installation of the lugs and terminals, electrical performance and safety can be greatly compromised.

Features:

Product Name: 45 Degree Cable Lug

Color: Silver

Wire Gauge: 5-95mm2

Material: Copper

Size: 45 Degree

Type: Copper tube lug

Design: 45D cable lug

Applications:

45 Degree Cable Lug, made of copper and silver in color, is a type of terminal lug used in electrical wiring. It's a TLC brand product, with model numbers TLK series, SC series, T series, and is certified by UL, CUL and CE. The minimum order quantity is 1000 pcs, and the price is USD. The packaging is in carton package, and the delivery time is 5-30 days. Payment terms are T/T, and the supply ability is 1KK pcs per month. It's applicable to wire gauge 5-95mm². The shape is cable lug. Copper tube lug 45D, Cable lugs 45D, 45D terminal lugs are the key words to emphasize.

Customization:

Customized 45 Degree Cable Lug Service

TLC offers customized 45 Degree Cable Lug Service.

Brand Name: TLC

Model Number: TLK series, SC series, T series

Place of Origin: China

Certification: UL, CUL, CE

Minimum Order Quantity: 1000 pcs

Price: USD

Packaging Details: Carton Package

Delivery Time: 5-30 days

Payment Terms: T/T

Supply Ability: 1KK pcs per month

Shape: Cable Lug

Material: Copper

Size: 45 Degree

Product Name: 45 Degree Cable Lug

Color: Silver

We specialize in manufacturing 45D terminal lugs for years and have established a good reputation in the industry. Our 45D terminal lugs are of superior quality and excellent performance, and they have been widely used in a variety of applications. If you have any needs for 45D terminal lugs, please don't hesitate to contact us.

Support and Services:

We provide technical support and services for 45 Degree Cable Lug. Our experienced staff can help you with any questions or issues that you may have. We offer online support, phone support, and in-person consultation. We also provide regular maintenance and upgrades for the product. Our team is always available to provide assistance and advice.

Packing and Shipping:

Packaging and Shipping for 45 Degree Cable Lug

The 45 Degree Cable Lug should be wrapped in a protective layer and placed into a box that is:

Made of corrugated cardboard

Sized appropriately for the product and packaging materials

Thick enough to protect the product from external impacts

Labeled with product information, handling instructions, and transit information

The box should then be sealed securely with adhesive tape. The box should then be placed into a shipping container that is:

Made of corrugated cardboard or plastic

Sized appropriately for the product and packaging materials

Thick enough to protect the product from external impacts

Labeled with product information, handling instructions, and transit information

The shipping container should then be sealed securely with adhesive tape and shipped according to the customer's instructions.

FAQ:

45 Degree Cable Lug FAQs

Q1: What is the brand name of 45 Degree Cable Lug?

A1: The brand name is TLC.

Q2: What are the model numbers of 45 Degree Cable Lug?

A2: The model numbers are TLK series, SC series, T series.

Q3: Where are 45 Degree Cable Lug manufactured?

A3: 45 Degree Cable Lugs are manufactured in China.

Q4: What certifications does 45 Degree Cable Lug hold?

A4: 45 Degree Cable Lugs hold UL, CUL, CE certifications.

Q5: What is the minimum order quantity for 45 Degree Cable Lug?

A5: The minimum order quantity for 45 Degree Cable Lug is 1000 pcs.
